

LEANNE CAMERON

Leanne Cameron is currently working as Research Co-ordinator at the Macquarie Centre of E-learning Excellence, after being originally employed at the University as a Lecturer in Education (ICT).

Prior to her employment at Macquarie, she worked in both primary and secondary schools in the Department of Education and Training (DET), the Private sector and the Catholic System. She also spent a number of years working as a Technology Trainer for the DET's Training and Development Directorate and some MANTLE TLs may remember her as the OASIS Trainer for Maitland, Newcastle and Central Coast schools. All her current research is investigating ways to improve learning by the effective integration of technology.
